

FIVE PURPOSES OF ANOINTING

Luke 4:18-19

- The very word anointing means to rub.
- So when God Almighty anoints us he rubs His nature, He rubs His presence on us.
- Association with anointed people will help to grow your anointing.

- The anointing is greater than the power of death.
- Let it be established that God anoints His people.

1) to enable you “to preach [the] good news” effectively.

2) to make you a Spirit-filled messenger, a “proclaim[er of] freedom for the prisoners”

3) You are anointed to bring “recovery of sight for the blind” – both physical and spiritual healing, as Jesus did.

4) You are anointed “to release the oppressed”.

5) You are anointed “to proclaim the year of the Lord’s favor” -

- Note that it is after the anointing the church began to expand significantly.
