

Created For *Significance*

WHAT'S MY
PURPOSE?

- The Pharisees thought little of people who didn't live by the law.
- You can see it in every line of work, social posturing.

- In Jesus' day, the pecking order was a lot more **blatant**.
- But it is so easy to let your **purpose** drift off **course** or get fuzzy.

WHAT'S MY PURPOSE?

- “When you throw a party, don’t just invite all the nice, safe, beautiful, cleaned-up people who are already part of your *social circle*.”
- I think my purpose in life has gotten out of *alignment*.

1. God's Word is powerful.
2. Prayer is powerful.
3. It's easy to become a Pharisee.

WHAT'S MY PURPOSE?

4. It's easy to get fuzzy on the purpose of life.

5. God always wants outsiders invited to his party.

6. God's purpose is to fill heaven with people from all walks of life.

- That significance is tied into the very plan and heart of God.
